

# How to join the world premiere of FILEDOGE

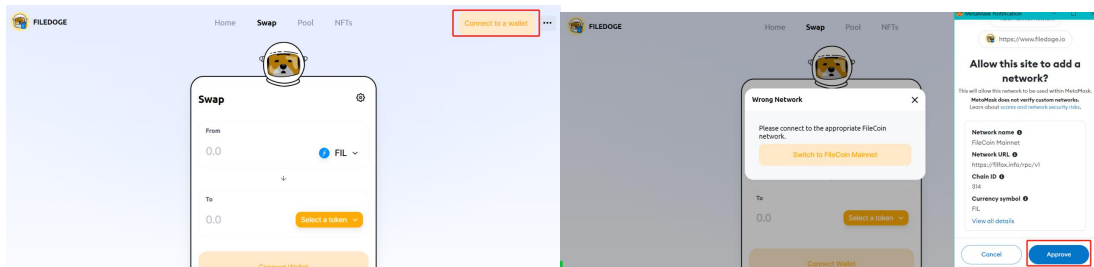

1.Prepare the MetaMask. <https://metamask.io/>

(Better to use a browser plug-in version)

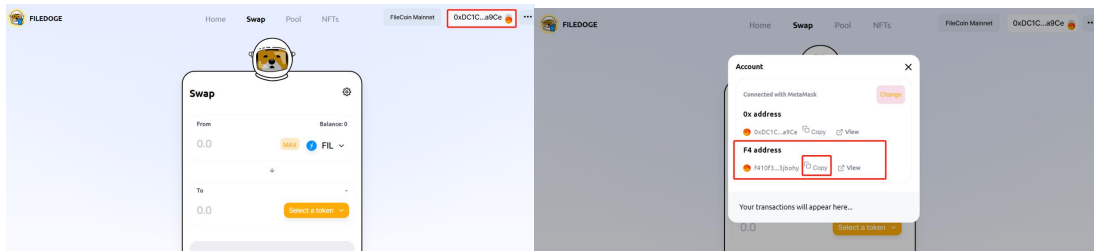

2.Open the official website of FILEDOGE DEX

<https://www.filedoge.io/swap/>

3.To make FILEDOGE token works please click the wallet link which make main network of Filecoin to join the MetaMask.

4.To obtain the f4 address which is corresponding.

5.Deposit corresponding FIL coin in f4 address.(You could withdraw into here after buying FIL from Exchange which supports withdrawl from f4 address)

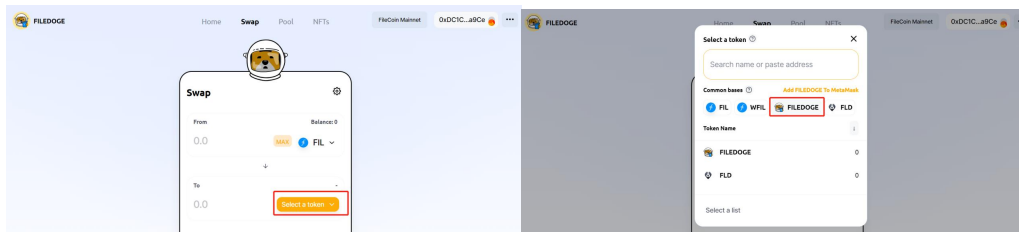

Ps:You could see FIL balance in 0x address which is corresponding.

By now Exchanges which supports withdrawl from f4 address:MEXC,Bitget,OKX.

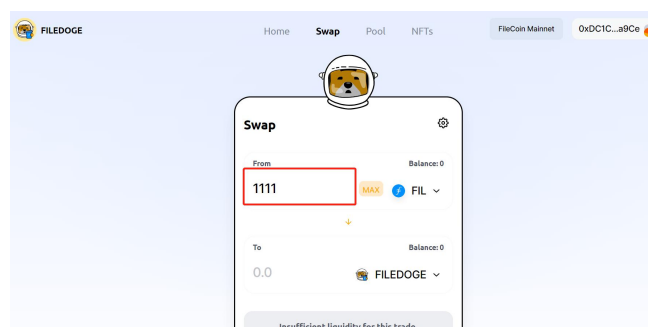

Because there is gas in swap,please prepare more FIL for swap.For example prepare 110 FIL to swap FLIEDOGE which worth 100 FIL.

There is another example which the f4 address withdraws from MEXC.

**6. After Depositing FIL, you can see remaining sum in MetaMask. Next click <https://www.filedoge.io/swap> at Apr.3th 2023 12:00pm (UTC) when the liquidity pool would opens officially. After this you could join the world premiere of FLIEDOGE. By that time all community members are ready to run at the starting line. Click to choose token, then Click FILEDOGE to start.**

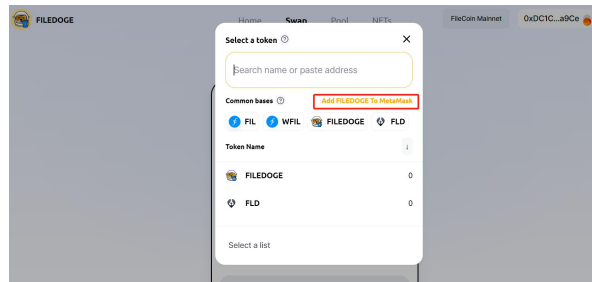

**7. You can follow up your interest in the FILEDOGE project and your preference for risk control to determine the amount of FIL invested. The following figure is an example. At this time, 1111 FILs are entered, and the following will be automatically displayed according to the current price, which can be fairly swap to FILEDOGE quantity. At this time, click OK, wait for the chain to be successfully packaged after submission, and you can successfully swap to FILEDOGE.**

**8. After successful Swap, click Add FILEDOGE to Metamask, and you can**

**check this token asset in your Metamask.**

**9. Because FILEDOGE is in full swing, here we have a kindly reminder: Please attend to the raising of gas and other prices while it is open quotation. Reasonable participation! Sincerely thanks for your Subscription and love, let's get on the Mars!**
